AN ACT to name State Highway 30 in Van Buren County the "Veterans Memorial Highway."

WHEREAS, since the birth of our great nation, hundreds of thousands of brave American men and women have served their country in the United States Armed Forces, and many continue this legacy of service today, defending the most inviolate principles of human freedom and democracy; and

WHEREAS, their meritorious service continues the time-honored tradition of Tennessee volunteerism; and

WHEREAS, throughout the years, the intrepid and valiant members of the United States Armed Forces have continued to inspire our confidence, loyalty, and support; and

WHEREAS, from Valley Forge to Iraq and the war-torn lands of Africa, Eastern Europe, and the Middle East, our armed forces have unselfishly paid the price of freedom for their friends and families and for all of us; and

WHEREAS, it is most appropriate that we should honor those courageous men and women who have made many sacrifices to preserve the blessed freedoms we enjoy today and that our progeny will hopefully continue to cherish for generations to come; and

WHEREAS, this General Assembly finds it befitting in accordance with the wishes of the Van Buren County legislative body to name all portions of State Highway 30 which traverse Van Buren County in honor and commemoration of all those brave sons and daughters of Van Buren County who sacrificed personal concerns and their safety, with many of them giving their lives, so that we might enjoy the many bounties of democracy and the American way of life; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Notwithstanding any other provision of law to the contrary, the segment of State Highway 30 that traverses Van Buren County is hereby designated as the "Veterans Memorial Highway" in honor of the many brave men and women who have served this great country in the armed forces.

SECTION 2. The Department of Transportation is directed to erect suitable signs or to affix suitable markers designating such segment of State Highway 30 as the "Veterans Memorial Highway".

SECTION 3. The erection of such directional signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

SECTION 4. This act shall become operative only if the federal highway administrator advises the commissioner of transportation in writing that the provisions of this act shall not render Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

SECTION 5. This act shall become operative only if the cost of manufacture and installation of such signs is paid to the Department of Transportation from non-state funds within one (1) year of the effective date of this act. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.
